

Art de la Guerre
15mm. 200 PT
Any army (or allies) 499AD or earlier

Rounds will be 2.5 hrs plus random time (play through the defender's bound when time is called)

Three rounds Saturday starting at 9am. Will take a reasonable dinner break

Final round Sunday. 8am (or as early as they will let us in)

I will apply for Gulf South Championship Points for this event should anyone be interested.

There has been interest in a 25 mm concurrent tourney. Let me know if interested and if we have 6 we will do that as well.

Please submit lists to Kevin Donovan.

Deadline for list submission is 12:59 on Sunday August 13th. Send in early if you have doubts so there is time to correct.

As I only get to play once or twice a year now I will be a competing referee and do not guarantee I will sit out to avoid players having byes. Should we have an odd number of players for any round Byes will be chosen by volunteer first and then based on whomever sent their list in last. No player will be asked to take more than 1 bye.
